

Lions Operation BrightSight Newsletter

February 2017

Dear Lions Operation BrightSight supporter!

Thank you for doing all the great Lions work that you are doing in your local community – more particularly your assistance to those with preventable blindness. Your ongoing support of your own Lions Operation BrightSight programme is really appreciated.

To cover the increasing base costs it has been necessary to increase the cost of a pair of spectacles to **R175**. Two pairs of spectacles will cost R350. This cost excludes postage and packaging but is still a really very reasonable cost, all things considered. Extra-ordinary spectacles will be quoted on specifically. The BrightSight team will do their utmost best to get your ordered spectacles back to you as soon after they are received.

Please, however, ensure that your contact details are very clearly indicated when you submit your scripts for processing. Sometimes the optometrist (or even Lions!) omit this absolutely vital information. Please check your scripts for correctness in this regard before sending them to Lions Operation BrightSight. It will save a lot of unnecessary frustration later and greatly help to speed up the return of the completed scripts to you.

If you have any queries regarding your spectacle order please do not hesitate to contact either **PDG George MacDonald** on 011 422 5577 brightsight@telkomsa.net or **Lion Janis van der Heiden** for account queries and postal tracking on 011 422 2891 lobaccdept2@gmail.com

If you do not receive a satisfactory response then feel free to contact the Chairman of Lions Operation BrightSight, **PDG Derek Edwards** directly at Derek@mineral-loy.co.za or +27 71 355 4985. Let's sort out any possible issues as quickly as possible.

We would really like to be your Lions "go-to" resource for affordable spectacles in MD410. If you have an idea how we can improve our service to you please let us know. We would like to meet your needs and hopefully exceed your expectations!

The [latest script forms and BrightSight information](http://www.lionsclubs.co.za/lobs.htm) is available at www.lionsclubs.co.za/lobs.htm

Till next time, keep up the great service to all sight impaired indigents in your community,

YIL

The team @Lions Operation BrightSight
