Service Knows No Boundaries

30 June 2020

To: All Lions in Multiple District 410

Dear Fellow Lions,

**2020 SERVICE KNOWS NO BOUNDARIES MD410 VIRTUAL CONVENTION**

Before we finally hand over the baton to Council Chairman Herman Smit, District Governor Pieter Nel (410W) and District Governor Jeff Smith (410E) today the 30<sup>th</sup> of June 2020 and what would have been the Rise of the 2020 Lions Clubs International Convention in Singapore, I would like to thank all of you who attended the 2020 Service Knows No Boundaries Virtual Convention. Whilst very different and we certainly missed having the interaction and seeing the faces of all the delegates, we nonetheless conducted the business of the Multiple District in the knowledge that we had a great audience of Lions from all different parts of our MD410.

For those of you who were unable to attend the Convention, herewith a hyperlink, kindly downloaded by PDG Kim van Wyk which will either enable you to see what took place during your absence or should you wish to relive it you can do so.

As stated many times previously, I wish to thank all the members of the respective Clubs within Multiple District 410 for the ongoing service in their communities during the past year, as this is what we do best "We Serve" and you have carried the flag of MD410 high.

Furthermore, to thank so many of you for the many text messages, WhatsApp's, telephone calls and emails offering support and encouragement to myself and the District Governors as we navigated the waters of MD410. I am extremely honoured to have been able to service you during the 2019/2020 Fiscal Year and the highs definitely outweighed the lows and I could not have done it without you, the Lions of Multiple District 410.

I wish you all health, happiness and above all be safe. I am confident that you will give the same encouragement and support to Council Chairman Herman and District Governors Pieter and Jeff as they take over the helm of MD410,

See you in Durban in 2021.

Yours in Lionism and friendship,

Jacqui
